

1 Program Overview

Summit Rewards is Everstorm Outfitters' loyalty program designed to recognize and reward our most dedicated adventurers. Every qualifying purchase, review, and referral brings you closer to exclusive discounts, shipping perks, and early access to our biggest sales. The program is free to join, has no annual fee, and is available to all customers shipping within the United States.

2 Enrollment

New customers can enroll in Summit Rewards at [everstorm.example/rewards](#) by creating an account or logging in with an existing one. Existing customers as of the program launch date are automatically enrolled at the Base Camp tier with no action required. You will receive a confirmation email at your account address within 24 hours of enrollment. If you do not receive that email, check your spam folder or contact our rewards team using the information in Section 8.

3 Earning Points

Points are added to your account balance after an eligible action is recorded. Purchases post within 48 hours of order shipment confirmation.

- Purchases: earn 1 point for every \$1 spent, calculated on the pre-tax, pre-shipping order total
- Product reviews: earn 50 points per approved written review submitted at [everstorm.example/reviews](#) (limit one review per product purchased)
- Referrals: earn 200 points for each friend who places their first qualifying order of \$25 or more using your personal referral link, found at [everstorm.example/account](#)
- Birthday bonus: earn 100 points annually, credited on your birthday as listed in your account profile; add or update your birthdate at least 14 days before your birthday for same-year eligibility

Points are not earned on gift cards, taxes, shipping charges, or Final Sale items.

4 Membership Tiers

Tier status is calculated on a rolling 12-month basis using points earned, not redeemed. Your tier is updated automatically when your 12-month earned total crosses a threshold.

Tier	Points Range	Point Bonus	Perks
Base Camp	0–499 pts	5%	Standard member benefits
Summit	500–1,999 pts	10%	Free standard shipping on all orders

Everest	2,000+ pts	15%	Free expedited shipping + early sale access
---------	------------	-----	---

The point bonus for each tier is applied as a multiplier on top of base purchase points. For example, an Everest member spending \$100 earns 115 points on that order.

5 Redeeming Points

Points can be redeemed in increments of 500 points, with each 500-point block equal to a \$5 reward coupon applied at checkout. To redeem, visit everstorm.example/account, select "Redeem Points," and apply the generated coupon code at checkout.

- Minimum redemption threshold is 500 points per transaction
- Reward coupons have no cash value and cannot be exchanged for store credit
- Coupons may not be applied to Final Sale items or combined with other promotional discount codes
- A maximum of one reward coupon may be used per order
- Coupons expire 90 days from the date of issue

6 Points Expiration

Points expire after 18 consecutive months of account inactivity. Inactivity is defined as no purchases, reviews, or referral credits posted to your account within that period. Any qualifying activity, including a single purchase of any amount, resets the inactivity clock and restores your full point balance. Everstorm Outfitters will send an email reminder to your account address at the 15-month mark warning of upcoming expiration.

7 Checking Your Balance

Your current point balance, tier status, earning history, and available reward coupons are all visible on your account dashboard at everstorm.example/account. Point totals reflect confirmed and posted activity only; pending points from recent shipments may take up to 48 hours to appear. Referral bonuses are held in a pending state until the referred friend's order ships successfully.
