3 In-Store Services

All services listed below are available at flagship locations only. Appointments are not required but are recommended for alterations during peak weekends.

Service	Details	Price
Gear Fitting	Expert sizing for footwear and packs	Free
Boot Stretching	Width and length adjustment	\$10
Hemming & Alterations	Pants hem, zipper replacement	\$15–\$35
Gear Rental	Day-rate for select items	See rate card in store

4 Buy Online Pick Up In Store (BOPIS)

Customers may place an order at everstorm.example and select any flagship store as a pickup location at checkout. Orders are typically ready within 2 hours of confirmation. Items are held at the customer service desk for up to 5 days. To collect an order, bring your order confirmation email and a valid government-issued photo ID. BOPIS is not currently available at outlet locations.

5 In-Store Returns

Items purchased online may be returned at any flagship or outlet store without a shipping label. The same 30-day return window that applies to online orders applies to in-store returns. Refunds are issued immediately to the original payment card at the point of return. Items must be in unused condition with all original tags attached.

6 Store Events

All flagship locations host monthly gear clinics covering topics such as layering systems, pack fitting, and navigation basics. Athlete meet-and-greets and seasonal trail talks are scheduled throughout the year. Seating at clinics is limited. Customers can view the full event calendar and reserve a spot at everstorm.example/events.

7 Accessibility

All Everstorm Outfitters locations, including outlet stores, are fully ADA compliant. Accessible parking spaces are available adjacent to each entrance. Customers who require staff assistance with navigation, fitting, or product selection may request help at any point during their visit. Service animals are welcome at all locations.
