

1 Available Denominations

Everstorm Outfitters gift cards are available in the following fixed amounts:

- \$25
- \$50
- \$100
- \$150
- \$200

Custom amounts are also available in any whole-dollar value between \$10 and \$500. Custom denominations can be selected during checkout on the gift card purchase page or requested in person at any flagship store location.

2 How to Purchase

Gift cards may be purchased through either of the following methods:

- Online at everstorm.example/gift-cards, available 24 hours a day, 7 days a week
- In person at any Everstorm Outfitters flagship store during regular business hours

When purchasing online, customers choose between a digital or physical card format at the time of checkout. In-store purchases default to a physical card, though store associates can arrange digital delivery upon request.

3 Delivery

Digital gift cards are delivered to the recipient email address provided at checkout within 15 minutes of payment confirmation. If the card does not arrive within 15 minutes, customers should check their spam folder before contacting support.

Physical gift cards are produced and mailed within 1 business day of purchase and arrive within 3 to 5 business days via standard USPS First Class Mail. An optional gift packaging upgrade is available for \$3.00 and includes a branded Everstorm Outfitters envelope and card insert. Gift packaging must be selected at the time of purchase and cannot be added after an order is placed.

4 How to Redeem

Gift cards may be used toward any eligible purchase on everstorm.example or at any flagship store location. To redeem online, enter the gift card code in the designated field on the checkout page before completing your order.

The following rules apply to gift card redemption:

- Partial use is permitted; any remaining balance is retained on the original card for future purchases
- Up to 3 gift cards may be combined in a single order
- Gift cards cannot be used to purchase other Everstorm Outfitters gift cards
- Gift cards cannot be redeemed for cash except where required by applicable law

5 Checking Your Balance

Customers can check their current gift card balance at any time by visiting everstorm.example/gift-card-balance. Enter the card number and the associated PIN when prompted to view the available balance and recent transaction history. Both digital and physical gift cards use this same balance-check portal. Balance lookups are available 24 hours a day and do not affect the card balance in any way.

6 Expiration and Fees

- Gift card balances do not expire, regardless of card type
- Physical gift cards must be activated within 12 months of the purchase date; unactivated cards after this window will require contact with support for manual activation review
- No dormancy fees or maintenance fees of any kind are charged to gift card balances
- Everstorm Outfitters reserves the right to cancel a gift card and issue a refund to the original purchaser if fraud is suspected

7 Lost or Stolen Cards

If a gift card is lost or stolen, customers should contact Everstorm Outfitters gift card support as soon as possible. To initiate a replacement, customers must provide the original order number associated with the gift card purchase. Upon verification of ownership, a replacement card will be issued for the remaining balance at the time the loss is reported.

- Everstorm Outfitters is not responsible for balances used before a loss is reported
- Replacement cards are issued as digital cards by default; a physical replacement can be requested but may require additional processing time of 3 to 5 business days
- Only one replacement may be issued per original gift card
