

1 Regions We Ship To

Everstorm Outfitters ships to select international destinations across three major regions. Orders outside the United States are subject to the policies described in this document.

- Americas: Canada, Mexico
- Europe: All EU and EEA member states, United Kingdom, Switzerland
- Asia-Pacific: Japan, Singapore, Australia, New Zealand, South Korea

If your country does not appear in the list above, we are unable to fulfill your order at this time. Check [everstorm.example/shipping-updates](#) for announcements about newly added destinations.

2 Duties & Taxes

International orders are processed under one of two delivery terms.

Delivered Duty Paid (DDP) means Everstorm Outfitters collects all applicable duties and taxes at checkout. You will not owe any additional charges upon delivery. We ship DDP to all EU and EEA member states only.

Delivered Duty Unpaid (DDU) means duties and import taxes are not collected at checkout. Your local customs authority will assess these fees, and you are responsible for paying them directly before or at the time of delivery. We ship DDU to Canada, Mexico, the United Kingdom, Switzerland, and all Asia-Pacific destinations. Estimated duty rates range from 3% to 20% of the declared merchandise value depending on your country and product category. Everstorm Outfitters has no control over the amounts assessed and cannot predict exact charges in advance.

3 Customs Clearance Times

The following timeframes reflect typical customs processing after your package arrives in-country. These estimates do not include transit time to your destination.

Region	Standard Clearance	Expedited Clearance
EU	2–4 business days	1–2 business days
UK	1–3 business days	1 business day
Australia / New Zealand	3–5 business days	2–3 business days
Japan / Singapore	1–2 business days	Next business day
Canada	1–3 business days	1 business day

Expedited clearance is available when you select an express shipping tier at checkout. Clearance delays caused by incomplete documentation or customs holds are outside Everstorm Outfitters' control and may extend these timeframes without notice.

4 Restricted & Prohibited Items

Certain products in our catalog face shipping restrictions or outright prohibitions depending on destination. Review the table below before placing your order.

Item	Restriction
Aerosol cans (sprays, bear spray)	Prohibited to Australia and New Zealand
Bladed tools (knives, multi-tools)	Restricted in the UK for blades exceeding 3 inches
Lithium battery devices	Require special declaration and carrier approval for all EU shipments
No catalog restrictions	Canada, Japan, Singapore

If you attempt to order a prohibited item to a restricted destination, your order will be canceled and refunded in full within 5 business days. For questions about a specific product, contact us before ordering at international@everstorm.example.

5 Address Requirements

To avoid customs delays or failed deliveries, your shipping address must meet the following standards.

- The name on the order must match the name on your government-issued ID exactly as it appears
- Include a full apartment, suite, or unit number where applicable — incomplete addresses are a leading cause of customs holds
- PO boxes are not accepted for international shipments; a physical street address is required for all destinations listed in Section 1
- For South Korea and Japan, include the full postal code in the correct local format

Everstorm Outfitters is not responsible for packages delayed or returned due to address errors submitted at checkout. Address corrections after an order is placed may not be possible once the shipment has left our Bozeman fulfillment center.

6 VAT Invoices

Customers shipping to EU and EEA member states may request a VAT-compliant invoice for business or personal tax purposes. Invoices reflect the VAT collected at checkout under our DDP arrangement. Requests must be submitted within 30 days of your order's delivery date. Send your order number and registered business address, if applicable, to billing@everstorm.example. Invoices are issued within 5 business days of a completed request.

7 International Returns

International returns are accepted within 45 days of the delivery date. Please review the following before initiating a return.

- Start all return requests at everstorm.example/returns and select "International Order" when prompted
- Return shipping costs are the customer's responsibility; the actual carrier cost, typically between \$15 and \$25 USD, will be deducted from your refund rather than billed separately
- Duties and import taxes paid to your local customs authority at delivery are non-refundable under any circumstances, as these fees are collected by your government and not by Everstorm Outfitters
- Items must be returned in original, unused condition with all tags attached
- Refunds are issued in USD to your original payment method within 7 business days of our Bozeman warehouse receiving and inspecting the return

8 Contact

For all international shipping inquiries, reach our team through the following channels.

- Email: international@everstorm.example
- Phone: +1 (406) 555-0204, available Monday through Friday, 8:00 a.m. to 5:00 p.m. Mountain Time
- General shipping information: everstorm.example/international-shipping
