

1 Product Category Overview

Everstorm Outfitters carries five main product categories: Footwear, Apparel, Technical Gear, Electronics, and Accessories. Each category has distinct return windows, warranty terms, Summit Protect pricing, Gear Recycle Program eligibility, and B2B availability. This document serves as the authoritative reference for customers, support staff, and wholesale partners. Policies listed here apply to purchases made at everstorm.example and through authorized Everstorm retail partners unless otherwise noted. Everest tier membership status is verified at the time of return initiation.

7 Final Sale Items

Any item marked Final Sale at the time of purchase is non-returnable and non-exchangeable regardless of product category. No exceptions are made for sizing, color preference, or change of mind. The following provisions still apply to Final Sale items:

- Summit Protect may be purchased for any Final Sale item within 30 days of the purchase date at the standard category pricing listed in sections 2 through 5
- The Gear Recycle Program remains available for all eligible Final Sale items under the same credit terms outlined per category above
- Warranty coverage under the applicable standard warranty period is not affected by Final Sale status; defect claims may still be submitted at everstorm.example/warranty
