

1 Types of Discounts

Everstorm Outfitters offers several discount programs to reward loyal customers and make quality gear more accessible.

- **Promo Codes:** Distributed via email and SMS campaigns. Codes are tied to specific promotions and expire on the date stated in the message. Sign up for emails or texts at [everstorm.example/signup](#).
- **Loyalty Reward Coupons:** Issued through the Summit Rewards program. Coupons are deposited to your account when point thresholds are reached and appear in your Summit Rewards dashboard at [everstorm.example/rewards](#).
- **Student Discount:** 15% off verified through ID.me. Complete verification at [everstorm.example/student](#) before adding items to your cart. Reverification is required annually.
- **Military and First Responder Discount:** 15% off for active duty, veterans, and first responders. Verify eligibility through ID.me at [everstorm.example/military](#). Applies to the verified account only and is non-transferable.
- **New Customer Welcome Offer:** 10% off your first order when you sign up for the Everstorm email list. The discount code is delivered to your inbox within 15 minutes of signup at [everstorm.example/signup](#).

2 How to Apply

Applying a discount at checkout is straightforward.

- Locate the Promo Code field on the checkout page, below your order summary.
- Type or paste your code and click Apply before completing payment.
- Codes are not case-sensitive, so capitalization does not affect validity.
- Only one promo code may be entered per order. If you hold multiple codes, choose the one with the greater value before completing your purchase.
- Summit Rewards points are redeemed separately through the Rewards section of your account and do not use the Promo Code field.

3 Stacking Rules

Some discounts may be combined and others may not. The table below outlines all supported and unsupported combinations.

Discount A	Discount B	Can Stack?
Promo Code	Loyalty Coupon	No
Promo Code	Summit Rewards Points	Yes
Student or Military Discount	Sale Price	No
Loyalty Coupon	Summit Rewards Points	Yes

When a combination is not permitted, the system will automatically apply the higher-value discount and remove the lesser one. Contact our promotions team at promo@everstorm.example if you have questions about a specific combination before placing your order.

4 Sale Events

Everstorm Outfitters holds several recurring and limited-time sale events throughout the year.

- End of Season Sale: Held each January and July. Deep discounts on outgoing seasonal inventory, typically 20% to 50% off marked prices.
- Black Friday and Cyber Monday: Sitewide promotions during the last week of November. Specific discount amounts are announced via email and at everstorm.example/sales.
- Flash Sales: Limited to 48 hours or less. Announced exclusively through email and SMS channels. Subscribe at everstorm.example/signup to avoid missing these offers.
- In-Store Gear Swap Events: Held at our Bozeman retail location. Customers may trade in used gear for store credit applied toward new purchases. Dates are posted at everstorm.example/events.

5 Price Adjustment Policy

If the price of an item you purchased drops on everstorm.example within 14 calendar days of your order date, you may request a one-time price adjustment.

- Email promo@everstorm.example with your order number and the current lower price displayed on our site.
- Adjustments are issued as store credit to your Everstorm account within 5 business days of approval.
- Price matching applies only to everstorm.example pricing. We do not match prices from third-party retailers, marketplaces, or competitors.
- Items purchased during Flash Sales or limited clearance events are not eligible for further adjustment.

6 Expired Codes

All promo codes and loyalty coupons carry an expiration date stated at the time of issuance.

- Codes cannot be used after their stated expiration date, regardless of circumstances.
- Everstorm Outfitters does not extend or reactivate expired codes under any conditions.
- If a code expires before use, we encourage you to watch for upcoming promotions at everstorm.example/sales.

7 Code Abuse Policy

Everstorm Outfitters monitors discount redemption activity to ensure fair access for all customers.

- Accounts showing unusual redemption patterns, including bulk code sharing, repeated account creation to claim welcome offers, or suspected resale of discounted items, may be flagged for review.
- Upon review, accounts found in violation may permanently lose discount eligibility.
- Everstorm reserves the right to cancel orders placed using fraudulently obtained or improperly shared codes.

8 Contact

For questions about promotions, discount eligibility, or price adjustments, reach our promotions team through the following channels.
